

BICYCLE LOCK

KC-001 (Water Bottle Cage Lock)

- This convenient, stylish and secure bike lock can link to more than just one bike with its innovative “Dual-Hub Keyhole” system. Furthermore, this bobbin integrated system lock doubles as a water bottle cage, making it an unique dual-combination design with more functionality and convenience than ever before! Safety and convenience wrapped up in one single great product that can be used anytime and anywhere.
